Hi Dawie

According to our Financial Unit response there were no issues noted. You can proceed.

Thanks

Morning Jessy

I spoke to Kabelo yesterday. I understand he was tasked to have a look at the account. He indicated that he was happy with the account and that he had sent the file back to you for you to approve the account. Please could you have a look at this and if you are happy send me a confirmation that I may proceed to distribute to members in terms of the account.

Regards
