CAUSES OF THE COMPANY'S FAILURE

During an interview with one of the directors of the company we were advised that shortly before the liquidation of the company the shareholders of the company resolved to enter into an agreement to sell their shareholding in the company.

Some disputes arose thereafter and as a result the day to day functioning of the company was effected. Eventually the company could not meet its obligations to its creditors and First Rand Bank obtained an order to perfect their general Notarial bond and then proceeded to liquidate the company.
