Uitvoerige beskrywing van oorsake van Skuldenaar se Insolvensie

I am currently employed as Contractor. I was always able to pay my monthly instalments but with the raise in the interest rate last year I start to fell behind with my instalments.

My accounts heaped up and my debt became more. My debt is currently so in arrear that I cant even afford my daily necessities. I have borrowed money to try and pay my debt and to make a living which resulted in that my debt only become more.

My financial situation is currently in such a bad state that it is impossible for me to pay the amounts in arrear or to make arrangements with my Creditors. My financial situation deteriorates daily due to the high cost of living. I have looked for alternative ways of income but was to date unsuccessful.
