Detailed Statements of Causes of Debtor's Insolvency
Uitvoerige beskrywing van oorsake van Skuldenaar se Insolvensie

I am currently employed as Train Driver at Prasa. During 1998 my late husband had a motor cycle accident and his left arm was amputated. Due to this he lost his job and was unemployed. I tried my best to take everything on myself. I have managed partially for four years to support my husband as well as our four children. During this time I have applied for loans everywhere to try and make ends meet. My husband passed away in 2002.

I have tried for ten years to manage on my own, putting my four children through school and one through university. With time everything had just spiraled out of control. I have tried to pay the money back which I have borrowed from time to time but without success. I now found myself in a situation where I don't what to do anymore as I can hardly afford my daily necessities and my financial situation worsens daily. All my furniture was already attached by the Sheriff.
