2. Current Status of Business Rescue Proceedings

Kindly note: This status report must be read together with all previous status reports and that the information contained in this status report is a record of events and/or information that have transpired subsequent to the publication of the previous month's status report:

2.1 Progress on Implementation of the Adopted Business Rescue Plan

- 2.1.1 As previously reported the process to dispose of the assets of the Company commenced in October 2020 with a disposal period set to end by no later than December 2022.
- 2.1.2 We have continued such disposals in conjunction with the creditors holding security over particular assets. The disposal process has been challenging during the extended lock down period and the severely depressed market at present.
- 2.1.3 Rather than disposing of assets under the pressure of time constraints, we have with the input of the secured creditors, continued to actively market and seek the best possible returns for assets. We will continue to do so for the foreseeable future and keep creditors abreast of developments.
