### 2. Current Status of Business Rescue Proceedings

*Kindly note:* This status report must be read together with all previous status reports and that the information contained in this status report is a record of events and/or information that have transpired subsequent to the publication of the previous month's status report:

## **2.1 Progress on Implementation of the Adopted Business Rescue Plan**

- 2.1.1 As previously reported the process to dispose of the assets of the Company commenced in October 2020 with a disposal period set to end by no later than December 2022.
- 2.1.2 Most of the assets have been disposed of and we are currently in discussions with the only remaining secured creditor regarding the finalisation of the few remaining aspects provided for in the adopted BR Plan. This unfortunately involves litigation involving the liquidated Liviero Mining (Pty) Ltd.
- 2.1.3 As such the due date for the completion of the disposal period has indefinitely been delayed, pending the final outcome of the litigation.
