2. CURRENT STATUS OF BUSINESS RESCUE PROCEEDINGS

1. Esor Limited ('the company') was placed under Business Rescue in terms of Section 129(1) of the Companies Act 2008 ("the Act") on 20 November 2018.
2. The company complied with the requirements of Section 129(3)(a) and (b) of the Act.
3. Johannes Frederick Klopper was licensed by the Commission in respect of the company and appointed as Business Rescue Practitioner (BRP) to this company on 21 November 2018 in terms of Section 138 of the Act.
4. In terms of a resolution adopted by all by all creditors present, at the First meeting of creditors on 5 December 2018, the date for the publication of the Business Rescue Plan ("BR Plan") by the business rescue practitioners was extended to 12 February 2019.
5. This date is being postponed on a month to month basis pending discussions with potential investors.
6. The company was delisted and shareholders are referred to the SENS delisting announcement dated 20 May 2020 in this regard.

7. Any meaningful restructuring proposal in relation to the company can only be embarked upon once clarity is obtained in relation to the finalisation of the disposal process of assets in the underlying subsidiaries and the final outcome of the distribution to creditors in Esor Construction (Pty) Limited.
8. The judgement by the Competition Tribunal in relation to the Competition Commission application referred to in previous reports has still not been handed down. Further written enquiries were made to the Competition Tribunal on 7 and 16 December to which the Tribunal responded on 17 December and informed the BRP that the Panel was still considering the matter.
9. During January and February 2022 parties interested in proposing a restructuring of the company's affairs who approached the BRP have continued to engage with the BRP. However the parties have still not been able to provide sufficient comfort that the proposals that they made will be backed up by sufficient funding.
