2. The company complied with the requirements of Section 129(3)(a) and (b) of the Act.

7. The company was delisted, and shareholders are referred to the SENS delisting announcement dated 20 May 2020 in this regard.

THE BUSINESS RESCUE PLAN

11. The contents of a proposal to creditors in a business rescue plan will depend on the outcome of the discussions between the affected person involved in litigation with Eskom.

12. This is so because the quantum of the liabilities of the company will depend on such outcome and it is therefore common cause amongst all affected persons that the publication of an eventual business rescue plan will be delayed until this issues is resolved or there is an outcome in relation to the litigation.
13. There is ongoing engagement with the parties which are the only measures that can be taken at this stage.
14. It is furthermore impossible to predict a potential timeline insofar a determination of the legal dispute is concerned as pleadings in relation to the litigation have not even as yet closed.
15. The position at the end of November has not changed much since the end of October 2024.
