2. The company complied with the requirements of Section 129(3)(a) and (b) of the Act.
3. Johannes Frederick Klopper was licensed by the Commission in respect of the company and appointed as Business Rescue Practitioner (BRP) to this company on 21 November 2018 in terms of Section 138 of the Act.

5. An informal meeting of affected persons was held 10 July 2019 with a view to providing feedback in relation to the possibility of restructuring the affairs of this company with a view to procuring a dividend to Esor Construction (Pty) (Ltd) (UNDER RECEIVERSHIP) to enable the Receiver For Creditors to distribute the proceeds in terms of the adopted business rescue plan that matter.
6. It was determined that it would be very difficult to agree on a timeline for the development of a business rescue plan in relation to the company.

9. Esor Uitvlugt has requested and received a proposal from JDM Land Developments to provide the company with a possible implementation plan and a status report. Upon receipt of the report we identified certain problems in relation to Esor Uitvlugt’s pricing which are being addressed.
10. We have established that the market for the size of stands in that particular area is for smaller stands and which may have to entail a consolidation and sub-division. No further proposals to give effect hereto have been received during December 2019 and the process will commence again in 2020.
