5. An informal meeting of affected persons was held 10 July 2019 with a view to providing feedback in relation to the possibility of restructuring the affairs of this company with a view to procuring a dividend to Esor Construction (Pty) (Ltd) (UNDER RECEIVERSHIP) to enable the Receiver For Creditors to distribute the proceeds in terms of the adopted business rescue plan that matter.

11. It was also resolved to reach out to the ultimate major shareholders with a view to exploring other restructuring options.
12. These processes are ongoing but in the event that all of this fail it was decided to consider the formal winding-up of the company. However, owing to the Covid 19 pandemic and the consequent lock down that commenced on 26 March 2020 and which was extended under Phase 4 of the lock down procedure the matter could not progress further.
