2. Current Status of Business Rescue Proceedings

1. MG Investments CC ('the close corporation') was placed under Business Rescue in terms of Section 129(1) of the Companies Act 2008 ("the Act") on 25 November 2021.

2. The close corporation complied with the requirements of Section 129(3)(a) and (b) of the Act.
3. Johannes Frederick Klopper was licensed by the Commission in respect of the company and appointed as Business Rescue Practitioner (BRP) to this company on 1 December 2021 in terms of Section 138 of the Act.
4. The First Meeting of Creditors was held in terms of Section 147 of the Act on 10 December 2021.
5. It was resolved at the First Meeting of Creditors that the BRP would be afforded until 25 February 2022 to publish a Business Rescue Plan.
6. The Business Rescue Plan was published and the meeting in terms of section 151 of the Act to consider the Business Rescue Plan was convened to be held on 4 March 2022 and on which date the Business Rescue Plan was adopted.
7. The implementation of the Business Rescue Plan is dependent upon the collection of retention moneys. This is proving to be a challenge and the BRP might have to consider terminating business rescue proceedings and converting proceedings into liquidation proceedings. The downside of this is however that parties who owe retentions are even less likely to make payment of such monies due to the company under liquidation proceedings. This will be canvassed with affected persons.
