FINANCIAL DISTRESS OF THE COMPANY

- 6 The financial distress of the company is attributable, *inter alia*, to:
- 6.1 South African Guarantee Specialists as underwriters on behalf of Old Mutual Alternative Risk Transfer (OMART) suddenly, and without notice, withdrawing financial support via payment guarantees, after having committed to do so in writing. Funding had been unlocked and secured via a top tier South African banking institution based on the aforementioned guarantees;
 - 6.2 Inability to procure funding of working capital requirements;
 - 6.3 Capex funding for current and future orders;
 - 6.4 Non-payment by 2 (two) major customers.

7 As a result of the above:

- 7.1 The company is experiencing cashflow constraints;
- 7.2 The company has been or will shortly be unable to service payments in respect of its month to month obligations to creditors and more specifically in terms of its credit facilities;
- 7.3 The Company is unable to finalise orders from clients due to a shortfall in working capital requirements; and

LEGAL PROCEEDINGS

- 8 To the best of my knowledge, I confirm that there are no active liquidation proceedings or any other litigation proceedings that have been initiated by or against the Company.

PROSPECTS FOR RECOVERY IN BUSINESS RESCUE

- 9 It is my firm belief that there are reasonable prospects for the rescue and recovery of the company through the utilisation of the business rescue processes envisaged in chapter 6 of Act.
- 10 In the premise, business rescue will:
- 10.1 Aid the company in once again attaining commercial solvency, restoring it to a solvent, liquid and profitable enterprise, or, at the very least;
- 10.2 To provide creditors with a return greater than that they would receive in the event of the liquidation of the company.

I hereby certify that the deponent knows and understands the contents of this affidavit and that it is to the best of her knowledge both true and correct. This affidavit was signed and sworn to before me at Kyalami on this the 18th day of February 2025, and that the Regulations contained in Government Notice R.1258 of 21 July 1972, as amended, and Government Notice No R1648 of 19 August 1977, as amended, having been complied with.
